Re: Permit Renewal Request – Dialysis Care Center McHenry (Proj. No. 16-058)

Dear Ms. Olson:

I am writing on behalf of Dialysis Care Center McHenry to request a twelve-month extension of the completion date for Project No16-058 (Dialysis Care Center McHenry). Illinois Health Facilities and Services Review Board ("HFSRB") approved Dialysis Care Center's certificate of need application. While construction has commenced, based on recent experiences, Dialysis Care Center anticipates it takes six to eight months for Medicare Certification of the facility. Accordingly, we respectfully request a twelve-month renewal of the project permit and a new project completion date of March 31, 2019.

1. Requested Project Completion Date

Dialysis Care Center requests the HFSRB grant a twelve-month renewal of the project permit and establish March 31, 2019 as the new project completion date.

2. Status of Project and statement regarding Completion of the Project

We expect the construction to be 100% complete before the end of this year. Medicare certification, is taking six to eight months for a facility, based on recent experience. Therefore, to allow sufficient time to complete this project, we request a twelve-month renewal of the project permit.

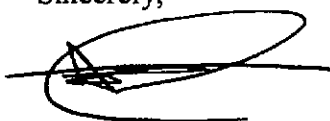

3. Confirmatory Evidence of Project Compliance

I hereby certify, pursuant to 77 Ill. Admin. Code 1130.740, Dialysis Care Center McHenry compliance with the scope and costs of the project by the HFSRB pursuant to Project #16-058.

Based on the above information, in compliance with section 1130.740 of the Illinois administrative code, we formally request a twelve-month renewal of permit for project #16-058 and a new project completion date of March 31, 2019

If you have questions or comments, please do not hesitate to contact me.
